

# Fully Managed Cold Email Marketing Service

Cold email campaigns can be time-consuming and stressful. Let us **implement your strategy, analyze results, and optimize campaigns** to get you the best results.

## A Hands-Off Cold Email Campaign Management Solution

Let us take the load off your mind with our **Managed Campaign Service Package** that makes cold email marketing easy for you.

**No internal team to manage your campaigns?** No problem. Our managed service gives you a dedicated expert that is accountable for planning, implementing, optimizing, and reporting your entire cold email campaigns.

Here are some key benefits you get:

A Dedicated Email Marketing Expert

Management of 2-3 Campaigns

Email Monitoring Deliverability and IP/Domain Reputation

Insights and Suggestions on How to Improve Email Message and Subject Line

Creation and Launching of Your Email Campaign

Campaign Optimization

Bi-Weekly Campaign Reports (Email)

Channels of Support [Ticket and Email]

## Ecosystem Approach for Maximum Performance

MailClickConvert utilizes a proprietary strategy to help you maximize the full potential of your cold email list. We combine bulk email marketing and hyper-targeted lead generation campaigns to warm up and nurture your cold contacts.
