POWERHOUSE LEADERS

EXECUTIVE RESET

The Program:

The Powerhouse Leader Executive Reset is an intensive 30-day 1:1 experience for executives and leaders committed to achieving exceptional results while preventing burnout and optimizing their energy and performance.

Outcome:

By participating in this program, we will:

- Address the root causes of problems
- Eliminate obstacles and energy drains
- Achieve clarity and alignment with your goals

Key Phases:

1. ASSESS:

We begin with a comprehensive evaluation and a 360-degree reflection to gain a deep understanding of your unique challenges and leadership requirements.

2. TRIAGE:

Identify and prioritize the top two issues that demand immediate attention to set the stage for transformation.

3. VIP DAY:

Embark on a deep dive to solve the root causes of your challenges, gaining clarity, confidence, and alignment with a well-developed action plan.

4. FOUNDATIONS:

Establish a solid foundation through pre-work, strategic work sessions, and habit-building. This ensures that recurrent issues are effectively addressed and resolved.

Your Investment:

Experience a comprehensive transformation and revitalization in just 30 days with Powerhouse Leaders. This program empowers you to achieve exceptional results, eliminate obstacles, and gain clarity and alignment with your goals.

Here's how the Executive Reset works:

- You complete the comprehensive assessments and initial intake interview.
- Then we meet for a 90-minute triage call to address and solve the immediate situation so you are free to focus on expansion
- I develop a customized program tailored to your strengths, preferences, and specific needs
- We hold your full VIP Day where we develop clarity and alignment on goals
- We meet twice weekly for strategic work sessions via video conference or phone (timing for this depends on your needs)
- We communicate daily for ongoing progress reviews, obstacle reframing, and skill enhancement inside your custom client portal
- We have a final 60-minute call for review and post-assessment.
