Dear Pastor and Church Family,

I hope and pray your new year is off to a good start. We know the Lord has many things planned for our family and ministry this year and are praying for His hand of blessing on you and your ministry as well.

Taking the next steps:

As our church continues to grow, we are excited for the next steps our church members will take!

Family evangelism- we began a new soul-winning time geared towards the family encouraging our families to come together on Saturday mornings and go door knocking. We have been doing this for four weeks and so far, it has been just my family. This past Sunday evening we had our first visitor as a result of our family time door knocking! Hopefully, this will be an encouragement to the church and soon other families will join us.

Discipleship- With the growth of the church comes the need for discipleship and mentorship. There are currently three couples Sara and I will be starting discipleship with in the coming weeks. This time allows us to build stronger relationships with our people as well as give them a strong base to begin their Christian growth.

Faith Promise- The new year also began our first year of Faith Promise giving. Our church is currently supporting two missionaries!

Amazon Trip:

Praise the Lord that the interest to participate in the Amazon Medical trips is growing! This year we have scheduled two trips, one in May and the other in July. It is our desire that Sara be able to go for the first time on one of these trips. We are praying that the Lord provide someone to stay with our children as well as the funds for her to go. If you would like to give financially towards the trip or donate medical supplies, your help and generosity is greatly appreciated and will not be in vain!

Prayer Request:

On a more personal note, I would like to ask prayer for the complete healing of our Pastor, Larry Stark. He was diagnosed with shingles and with the shingles has come some severe complications. When you pray for our family, please remember him as well. Your faithful and fervent prayers have been seen and felt in the lives of my family and I have faith that our Pastor will reap the results of your prayers as well.

Thank you for you continued faithfulness on behalf of our family! Our ministry is possible because of your prayers and financial support.

Your friend and servant,

Zach, Sara, Landon, Paige, Blake, Jackson, Tori & Lawson Bruner
