

## AI to the rescue in the fight against the consequences of the coronavirus. Promotion regulations for Smart Search

QuarticOn S.A. wants to help the e-commerce industry in difficult times of the COVID-19 pandemic. We provide e-shops with our online tool Smart Search, free of charge, for 3 months (the promotion applies to applications sent via the contact form at <https://www.landpage.co/smart-search-for-free> until the end of June 2020).

Details of the promotion below:

1. The promotion applies to the Smart Search service (module) which is an internal search engine for an online shop. It allows you to:
  - a. place the search box on the shop's website,
  - b. display matching products as you type the query,
  - c. support typos, language errors, variations, synonyms and phonetic notations
  - d. display a simplified page of full search results.
2. The promotion is valid until June 30, 2020.
3. During the promotion, the customer running an online shop can receive the scripts of the Smart Search module free of charge and instructions for their installation in the code of the online shop page. The customer should install these scripts themselves.
4. If you want to use the support of QuarticOn resources when installing the scripts of the Smart Search module, QuarticOn will charge a one-time fee for installation support of PLN 500 net (payment within 30 days from the date of receipt of the invoice).
5. If, after three months of free use of the tool, the customer is still eager to use it, an appropriate agreement with QuarticOn on commercial terms should be concluded.
6. The promotion does not apply to the advanced module Smart Search Plus.
7. QuarticOn General Terms and Conditions of Provision of Services available at <https://quarticon.com/en/regulations-for-providing-services> apply to these promotion regulations, in particular in the scope of using the Smart Search module.
