

# POLETECTOR<sup>360</sup>

***We cover all your bases!***

Light Pole Base Cover  
enhance • brand • protect

*Poletectors are highly visible and offer Impact and Fade resistance. Proudly Made in Michigan with durable Polypropylene. They install in minutes without the use of tools.*

**Enhance** and transform the appearance of your parking lot.

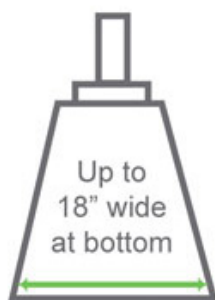

Build your **Brand** by adding a corporate logo or your own custom logo.

**Protect** vehicles from costly lot damage, eliminating door dings and bumper rubs.
