Dear Pastor and Praying Friends,

We praise the Lord for all He has done in the first quarter of 2019! The Lord gave us 11 professions of faith, 5 baptisms, and many new visitors as well as many “visitors” became regular attendees!

On May 21, we are planning our first Home Missions, Great Commission Workshop in the San Diego area. Our goal, for the 3-hour workshop, is to encourage involvement & investment from established local independent Baptist churches to help church planters like us. The harvest truly is plenteous (overwhelmingly), and we are in desperate need of laborers! We must approach this need with more of an urgency to plant churches in California and throughout the US!

Please pray for God to give us wisdom in preparation for our next church plant. Thank you for partnering with us!

Seeking to Reach Souls for Christ,  
David and Terrie

March was a pretty average month, however, our focus on 3/24 & 3/31 was

on Mission's and Outreach. The response has been very favorable. This is very exciting as the majority of our church is comprised of brand new Christians the Lord has allowed us to reach! We are very excited to involve our folks in outreach for Easter!

You're Invited

On March 3, we were able to have our first service at our new location in Port Hueneme! 20 of us enjoyed breakfast together before our 9 am service. We are renting the fellowship hall, nursery, and classrooms from Living Hope Church, and we're able to use them for AM, PM, & mid-week Bible Study! On 3/31, we had our first evening service with 25 in attendance!
