Missionaries to the Mapuche People  
of Argentina and Chile

Jeff, Nanci, William, Matthew,  
Emily, Jonathan Peter, Philip

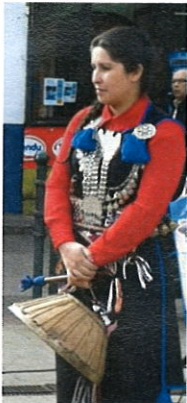

March 2018

Missions Update: Your missionaries to the Mapuche in Argentina & Chile are moving to Chile!

We have spent nearly nine, incredible years in Argentina. While we are saddened to leave those whom God has put in our lives here, we are excited to see what God has for us in Chile.

We recently spent a week in Chile with Kyle Sheridan and his family in the city of Coyhaique (*pronounced koi-aike*). Our family met the congregation of Iglesia Biblica Bautista de Coyhaique (*Bible Baptist Church of Coyhaique*). We also had the opportunity to go door knocking and visit with some Mapuche in the community. While in Chile, I preached a Sunday night service and participated in the Baptist Hour radio program. After MUCH prayer, I feel God is moving our family to Chile to work with Brother Sheridan in this ministry.

Coyhaique has a population of 60,000 people. It is nine hours south and two hours west of our current home of El Maiten (population 6,000). The name Coyhaique comes from the Mapuche word "Coy" meaning water and "Aike" meaning "*place where there is water*". It is an area within a couple hours of the Pacific Ocean and filled with many rivers and waterfalls.

Our family plans on ministering with Brother Sheridan in the Coyhaique community. I will be preaching and teaching discipleship classes. I will also be teaching English classes as a way to reach the people and taking advanced Spanish classes to learn the Chilean Spanish and to improve my Spanish.

### PRAYER REQUESTS

- Traveling mercies as we drive between El Maiten and Coyhaique.
- Finding a house to rent. The rent in Coyhaique is more than triple what we are currently paying.
- Safety in the new and much bigger city where we are moving.
- Ease of transition from Argentina to Chile.
