April - May 2018

Dear Pastor and Church family,

We hope this letter finds you well. We have been very busy with church services, activities, Bible College, and our different mission works.

During Easter break we took a group of 53 teens and workers to a teen conference. It was a tremendous blessing! A couple of our teens trusted Christ as their Saviour as well as several others from other churches that attended. Our teens returned home encouraged and challenged to be faithful to the Lord. And our teen activities each Friday night have reflected just that. Our attendance is up some from what it was. And several are coming more faithfully to church services.

We continue to see fruit from our weekly visitation with folks saved and visitors in our services. It is such a blessing to see people that trust Christ as their Saviour follow Him in baptism, knowing that some of them will face obstacles such as rejection and even persecution from family and friends.

Our Bible College will finish another year on Sunday the 3rd of June with our college graduation service. This has been one of the most rewarding ministries that the Lord has allowed

us to have a part in. It is a tremendous encouragement to see graduates serving the Lord in different parts of the country and others headed to other countries as missionaries. And it is fruit in your account!

Please pray for:

1. Souls to be saved, baptized, and added to the church.
2. Our 2 mission works, and a medical campaign in June with the possibility of starting another mission work.
3. College graduation and graduates.
4. Our family.

Until the nets are full,

Bill and Lynne Norton
