We strive for a personalized approach to care, ensuring it enhances the lives of our clients and their families.

## Key Responsibilities:

- Manage the clinical aspects of care plans, including daily reviews of carer logs and actioning of any clinical concerns.
- Advocate for clinical excellence within the team.
- Ensure compliance with medication alerts and concerns through Care Management Software (Birdie).
- Assist in monthly client care plan reviews and follow up on actions from bi-annual clinical care review assessments.
- Support in managing incidents or concerns raised, with full training provided to ensure understanding of clinical operations.
- Collaborate with multidisciplinary teams to ensure coordinated and comprehensive care.
- Conduct client clinical assessments and risk assessments.
- Provide support in emergency care situations and offer emergency cover when needed.
- Develop clinical topics for Carer Training School.
- Review and sign off on carer medical forms and support HR with return to work meetings.

## Qualifications:

Bachelor's Degree in Nursing required.

- Current registration with NMC: Nurse & Midwifery Board.
- Minimum of 5 years of clinical nursing experience, with at least 2 years in a leadership or management role.
- Demonstrated knowledge of healthcare operations, clinical practices, quality management, and regulatory compliance.
- Strong leadership, communication, and interpersonal skills.
- Proficiency in electronic medical records and healthcare IT.

## Company Benefits:

- 28 days holiday.
- Regular company socials.
- Provision of all necessary equipment, including laptop and phone.
- Fully equipped office space.
- Training opportunities aligned with company strategy.
- Working Hours:

**Full Time, Monday to Friday, 9:00 AM to 5:00 PM.**

**Occasional on-call weekend work and emergency care relief may be required.**

**If you are passionate about providing high-quality care and meet the above criteria, please apply for this position by submitting your CV detailing your relevant experience and qualifications. We look forward to hearing from you.**
