

PW GURUKULAM SCHOOL

POWERED BY PHYSICS WALLAH

Where Culture *Meets* 
Innovation

PW METAMORPHOSIS

MESSAGE FROM PW FOUNDERS

ALAKH PANDEY
(Founder, Physics Wallah)

"If your goals are ambitious, then how can the efforts be small?"

Hello, bacchon! Embark on a transformative academic adventure with Gurukulam! Strive for excellence, embrace challenges, and foster collaboration. Gurukulam is your canvas, paint a future that resonates with ambition. Here's to the limitless possibilities ahead!

PRATEEK MAHESHWARI
(Co-Founder, Physics Wallah)

"Your pursuit of knowledge is not just a journey; it's a celebration of growth and possibilities."

Dear Students, we envision a place where curiosity meets knowledge, challenges become stepping stones, and dreams are nurtured with PW Gurukulam, we're here to support you in your academic journey and beyond, offering a platform where learning is immersive, innovative, and transformative.
