Greetings from Zuni and Navajo Country,

We were able to celebrate Christmas with our Zuni and Navajo people focusing on the Gift of Jesus received and shared. After our Christmas service some of our people went with us out to the elderly in our Navajo community singing Christmas carols and bringing them gift boxes. It was a blessing to us to give and for those who received as well as opening hearts and building relationships with families in the area who need Christ.

As we enter a new year many people make resolutions of what to do or change, to gain something or lose something or both. What are you resolved to do for God this New Year? I am resolved to be fully surrendered to God, have faith to ask for and attempt great things for God and live according to the Word of God.

Recently the Ramah Navajo Behavioral Health Services asked if they could refer people to us for what they label as needing Grief Counseling. Praise God we have a Sure Answer for all grief in Jesus Christ. Isaiah wrote, "Surely he hath borne our griefs, and carried our sorrows... But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

We hope that you enjoy the included pictures since they are worth 1000 words, and can help you visualize who you are praying for and supporting.
