“...ordain elders in every city” Titus 2:5

Praise the Lord!

- We are most thankful that the Lord blessed us with 7 salvations and 2 baptisms through both churches this past month!
- We were blessed to be a part of the BIMl Field Conference in Branson, Missouri 4/29—5/1, it was great time of instruction and fellowship. Thank you to our director Bro. Larson and Jennifer. Thank you also to our host church, Talking Rock Baptist Church and Pastor Davis.
- We are thankful for those who have prayed for a piano player and more laborers—God is answering!

Dear Pastors and Praying Friends,

Again, because of your faithfulness we have been able to continue with our calling as church planters!

Last Sunday was the final day of service for 2 of our WCBC interns. We are thankful for their ministry this semester and will miss Jonathan Flippo and Kyler Kerr. We will also be losing another faithful WCBC grad, Blake Eaton, who has served with us for nearly 2 1/2 years. On a positive note, Samuel Hoogenboom and his wife will be helping us this summer (plus she plays piano! -amen!). God is also raising up several new converts and attendees within both church plants to help with outreach, and serve as nursery workers, ushers, etc.

Thank you again for your support.

Yours for souls,
David and Terrie

We praise the Lord for a new couple that has begun attending—they were

saved and baptized this month! On April 14, we were locked out of our meeting place and so were forced to combine the service with Southport. We continue to struggle with issues with the management as the school district coordinator is over burdened and therefore inconsistent in the handling of the rentals. Please pray God would allow us to have a more permanent location for us to meet.

New Prayer Requests

- Permanent pastor for both churches.
- May 21 is our first Home Missions Workshop. Please pray that God will use it to provoke a greater interest for church planting in America!

Easter Sunday—witnessing the 2 baptisms at our complex hot tub!

Easter was an exciting service as, once again, we had to combine services because we could not use our regular location. We had a great attendance, breakfast, 2 baptisms, and a group of 25 at our home for lunch! It was certainly a busy time, but we all enjoyed the day. A special blessing of the day was that one lady received Christ.
