October -November 2018

Hello Pastors and Friends,

Praise the Lord, another month has just passed quickly! As we are in November, the month we celebrate Thanksgiving, I am reminded of what a dear Pastor friend used to say, **"Thankfulness needs to be practiced!"** I am in full agreement with that statement, especially as I see continually how good the Lord is!!

This past weekend we completed our Missions & Anniversary conference with the theme "Love in Action". Praise the Lord, we also celebrated the **17th Anniversary** of the Iglesia Bautista La Victoria. We had the blessing of having our BIMI director Bro. Terry Jones and his wife (Kay) down for the celebration. Bro. Jones preached/taught about 7 times and Mrs. Jones was able to teach the Ladies Sunday School class. On Sunday PM, as we concluded the conference, we were able to **baptize 7 people and increase our missions giving!**

Just this last weekend, **God** gave us a record crowd in the Iglesia Bautista Trinidad! We had **74** in services and we ran out of chairs! Not a problem, just a great opportunity!! The best part of all was that we had a young lady make a profession of faith! That was the spiritual icing on the whole service! On Tuesday the Lord blessed again with 68 in attendance! I will be buying more chairs before the weekend!!

A tremendous **blessing** is how God is answering our **"Two for One"** offer for the property for the work in Chorrera! Through our supporting churches and friends, we have raised about **24%** or \$6,165.00 so far! Thank you!! With the matching funds, this is \$12,330.00 raised! Please continue to pray and consider if God wants you to help with this specific need. The land and house price is \$50,000. As I mentioned in our last update, we have a generous church that is willing to give us \$25,000 if we raise the other \$25,000! If 18 or 19 churches gave \$1,000.00, we would be able to purchase soon and make room for the crowds the Lord is bringing!!!

Please, also pray about the possibility to sponsor one or more faithful teens (we pay half and they pay half) who would like to attend our annual Youth camp, but just don't have the resources. The price is \$90.00 for a week of camp where the teens will be challenged to live for and serve the Lord thru Bible preaching and teaching.

David, our youngest son, and I just had the opportunity to participate as interpreters for a group of around 35 Medical personal that visited from the U.S. for a medical clinic near a small town (Caisan) north of Volcan, province of Chiriquí. We had the privilege to see and treat more than 800 people, with over 200 accepting Christ as their personal Lord! Bro. Roderick, the local missionary, has had two separate offers to start churches in the area! Please pray that he can start real soon!

In His Service, **The Booth Family – Romans 8:32**
