Dear Pastor, Church, and Prayer Warriors,

Bulahang Bag-ong Tuig – Happy New Year!!!

As we reflect on 2018 and look forward to this year, we can only give all the glory to the Lord for His grace and goodness on our behalf. The Lord has done so much for us and provided for our needs time and time again. We are truly grateful and give all the glory to Him.

I want to thank you all for your continued prayers on behalf of my wife. She continues to make positive progress with her health. After seeing the cardiologist once again back on 29 November for more tests she was given a third medication to help manage her heart condition. That medication has provided a very positive result to her health – Praise the Lord!

The last two weeks of December were very interesting for me to say the least. I had to make two emergency room visits because of chest pain and nauseous indigestion. I also made 6 different visits to a few doctors. After many tests were done it was determined that I was having gall bladder attacks. As of now I will be having an endoscopy done on 9 January and then gall bladder surgery on 16 January. The doctor has stopped me from traveling for now until the completion of the surgery. Afterwards, I will need two weeks to recover. Please pray!

The ministry in Cortes, Bohol continues to grow for the glory of God. The Lord is working in the lives of the people of that ministry to continue serving Him. Souls are being saved because of their soul-winning efforts. We are very thankful to the Lord for this good report from the national pastor at Cortes Baptist Church. Please continue to pray for that ministry and for their needs.

We want to thank you all again for your prayers on our behalf! Thank you, as well, to all of you that support the ministry that the Lord has for us in the Philippines! May the Lord continue to bless you all for His glory!

Serving our Saviour,

Joe & Annie DeCurtis
