

# Zásady provádění změn a rušení soukromých hodin

Svou soukromou hodinu můžete zrušit nebo změnit kdykoli do 24 hodin před jejím začátkem. Pokud zrušíte lekci více než 24 hodin předem, kredity se Vám nestrhávají, pokud méně, o kredit přicházíte, protože učitel se na lekci musí připravovat.

Pokud zmeškáte lekci kvůli technickým potížím, kontaktujte nás na emailu [info@anglictina.cz](mailto:info@anglictina.cz), rádi Vám pomůžeme.

## Zrušení individuální lekce

Jednoduše přejděte na stránku [Soukromé hodiny \(Private Classes\)](#) a klikněte na Můj rozvrh (My Schedule). Poté zvolte hodinu, kterou chcete změnit, klikněte na ní a klikněte na Zrušit nebo Změnit.

### Featured Teacher

My strengths are flexibility, but especially patience. I am fluent in English and Slovak. I find it useful to use specific activities during my lessons such as games which help students reduce stress level, anxiety, as well as games that help students integrate and participate in lessons.
