Dear Pastor and Church Family,

It is hard to believe another year is coming to an end. God blessed tremendously with our move to the new church plant. It is amazing to see how the Lord can use you in ways you never would have expected.

Church News

During the month of November, we had our first annual missions' month. Every Sunday we taught the church about a different missionary and Thursday evenings I did a study on faith promise. We finished the month with an International Dinner and our faith promise commitment. There was a total of 80 in attendance for our International Dinner service and two souls accepted Christ as their personal Saviour. On the ninth of December, our Children's choir performed our church's first Christmas program. Several of the children that participated were from our bus route. They were so excited for this special night and several of their family members came to watch the performance. We had a total of 67 in attendance with several first-time visitors. Please pray for these children and their families as we will be making follow up visits. One thing we have learned this year in working with the church plant is people want and need LOVE. If people see a display of love and know that it is real, it is amazing how open they become. Through our love they learn about God's love.

Upcoming

During 2019, we are anxious to see what the Lord has in store for our church. Several of our people have completed the discipleship program and are ready to be baptized. One of my goals is to have them become more involved in the different ministries of the church. We are also planning two medical missions trips. If you are interested in helping financially, donating supplies, or being part of the actual team please contact me and I will send you more information. We would love to have your help and participation!

Grateful – Thankful - Blessed

God has been so very good to our family. I am so blessed to have a wonderful wife and six children who work beside me in the ministry. We are looking forward to what the Lord has planned for our ministry in the coming year. We pray for all of you regularly and are blessed to have you as part of our ministry. All that is done here in Brazil is possible because of your sacrificial giving and fervent prayers on our behalf. May the Lord continue to richly bless you, your family, and church. Merry Christmas and Happy New Year from Brazil!
