

Nelson Mandela

someone who wants equality,
and a fair society

TODAY I AM... someone who wants equality, and a fair society.
Inspired by the fearless and unstoppable advocate for social change and a fair society, **Nelson Mandela**, your social challenge is to:

- * decide what would be on a freedom charter for your school
- * what is important to every child, or every person at school
- * what makes life better for everyone

OR

- * The 18 July is an internationally marked day for good deeds, named Mandela day. Could you give 67 mins to someone else in your school, community or the wider society you live in? 67 minutes mark a minute for every year that Nelson Mandela spent in jail fighting for freedom and equality.

Notes

"During my lifetime I have dedicated myself to this struggle of the African people. I have fought against white domination, and I have fought against black domination. I have cherished the ideal of a democratic and free society..."
