Managing Risks and Ensuring Quality

Andy Mitchell, Category Technical Manager
Sainsbury’s
Consumer confidence!

It began 150 years ago
150 years ago

- Food Fraud, as far back as history itself
- Vegetables.
- Milk.
- Sweets.
- No legal control
- Sainsbury's where pioneers
Now

What has changed?
Evolving our standards

- 150 years on the principles are the same
- Work closely with suppliers
- Know your supply chain
- Audit for compliance
- Know your risks

Our vision
To be the most trusted retailer, where people love to work and shop
Managing Risk

- Quality
- Legality
- Safety
- Ethical
- sustainability
The Tools

• Approved Audits
• Policies and codes of practice
• Testing
• Our colleagues
• Our growers
• In country skills
Reducing the risk

- Horizon scanning
- Working with the experts
- Simple but effective
- Influencing
- Cross retail work
- Constant evolution.
