Invitation to:
CEVAS Alumni Events 2024

AHDB and LEAF Education are excited to invite you to an inaugural CEVAS Alumni Event.

We have listened to you, our CEVAS accredited farmers, who more recently have been asking for the opportunity to meet up, share best practice and talk to other CEVAS accredited farmers. Through peer to peer learning we want to consider, what are the things that work really well, how can I enhance the quality of my offer to schools, how do I develop further as I look ahead?

These events are designed specifically for you.
We are looking forward to welcoming you as our CEVAS Alumni to come together, to share experiences, give you top tips, to hear from others and to ask questions.

A chance to reconnect, focus, rediscover and share your passion.

During the event we will share latest learnings from LEAF Education, with our inspiring activities and resources, plus a chance to trial them with like-minded farmers. We hope to open up the conversation around sustainability, how to work with a variety of age groups and how to continue to grow what you do, so that you feel engaged, inspired and motivated and likewise so do the children you work with.

We also look forward to providing a space to take part in sessions that review the impact of CEVAS and inform what support for future CEVAS trained farmers may look like.

Each event is fully funded by AHDB and run from 9.30am – 3pm.
Lunch and refreshments will be provided.
