

LINKING ENVIRONMENT AND FARMING

Join the LEAF team

Marketing and Communications Manager

Leading sustainable farming organisation, LEAF (Linking Environment And Farming) has an exciting opportunity for a Marketing and Communications Manager based at Stoneleigh Park, Kenilworth, Warwickshire.

The successful applicant will lead and deliver LEAF's strategy and campaigns for PR and social media and digital marketing and communications, across multi-media (e.g. web, print, email and social media)

You will use your keen analytical mindset to help identify opportunities to support business growth. Working with our small team, you will create and deploy engaging and varied marketing campaigns, utilising your extensive marketing experience to help increase LEAF's profile and engagement. Working collaboratively with internal and external stakeholders the successful candidate will be results driven, an excellent communicator and motivator and a strong team leader and player.

Full time (35 hours) - permanent – competitive salary and pension – Immediate Start

Email applications (please send CV) or for further details to enquiries@leafuk.org. Applications close 24th December 2019.
