we want to hear from you!

LEAF Marque values the opinions of farmers, growers, and other stakeholders to ensure that the Standard is relevant and auditable. We would love to hear your views!
1. **Survey:**

The survey has questions on the relevance, feasibility, and auditability of the proposed changes.

A summary of changes and short surveys will be available in English, French, Italian, Spanish, Portuguese and Egyptian Arabic.

Find out more [here](#).

2. **Webinars:**

We are running three webinars to explain the main changes, and to provide an opportunity for feedback. Please register to attend by clicking the links below:

- **Carbon & Plastics: Industry Questions and Farmer-Based Solutions**
  24th November 2:30pm (GMT)

- **Water, Collaborative Action, and Landscape Scale Changes**
  16th December 2:30pm (GMT)

- **Standard Relevance: Writing a Standard for a global and varied industry**
  10th January 10:30am (GMT)

The first 20 mins will outline the changes, and the last 30 mins will be a discussion - we would love to hear your views. The first 20 mins will be recorded and publicly available to watch afterward.

3. **Submitting feedback:**

- **Email:** for general comments, please email jenna.higgins@leafuk.org
- **Phone:** +44 (0)2476 413911
- **Letter:** LEAF (Linking Environment And Farming), Avenue J, Stoneleigh Park, Warwickshire, United Kingdom, CV8 2LG
