

AURUM

INTRODUCTION

WINE MENU

Our new Summer 20/21 wine list has been carefully curated by Bekithemba Moyo, Head Sommelier at AURUM restaurant, and presents a personal repertoire of new world-style South African estates, and a beautiful, classic selection of old-world varietals from abroad.

Given the hardships endured by our local wine farmers during 2020, we aim to promote a balanced representation of the multiple styles and varietals produced in the Cape region, and we encourage you to challenge Bekithemba in pairing a fine bottle with your meal. Immerse yourself in this varied list, and trust the Somm to bring out the very best in your AURUM experience. Thank you for your patronage.
