# Breakfast @ DAVINCI

## Harvest Table

The traditional harvest table includes:  
breads, cold meats, cheeses and preserves  
which we have on offer with the addition of  
canapés and a salad bar.

Selection of cereals, home-made pastries,  
yogurts and seasonal fruits are also available.

For the health conscious, try our smoothies,  
cold pressed juices and very popular ginger  
shot with honey.
