

## COOKIE POLICY – BUBLAR GROUP AB

*Updated: 2017-05-16*

Bublar Group AB ("**Bublar**", "**us**", "**we**", "**our**") uses cookies in order to collect visitor statistics and to improve your experience on this website. Where necessary, we may update this information from time to time. We recommend that you visit this page on a regular basis to get the latest information regarding the cookies we use on our website.

### 1. WHAT ARE COOKIES?

A cookie is a text file placed on your computer, mobile device or tablet by web page servers when you visit websites. We use two types of cookies on our website: session cookies and persistent cookies.

*Session cookies* are stored during the period there is an active session, i.e. during the period you use the website. Session cookies are normally deleted when you close your web browser.

*Persistent cookies* are stored on your device until the set expiration date for each cookie or until you manually delete the cookie from your device.

### 2. CONSENT TO OUR USE OF COOKIES

By setting your web browser to accept cookies and visit our website, you give your consent to our and our service providers' use of cookies on this website.

Should you not wish that cookies are stored on your computer, mobile device or tablet, you may change your web browser settings to disable cookies. Please note, however, that if you choose to disable cookies, the website may not work properly or at all.
