This home's performance ratings

This home has been inspected and its performance rated in terms of its energy efficiency and environmental impact. This is calculated using the UK Standard Assessment Procedure (SAP) for dwellings which gives you an energy efficiency rating based on fuel cost and an environmental impact rating based on carbon dioxide (CO₂) emissions.

efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

impact on the environment. The higher the rating the less impact it has on the environment.
