Return of samples

For the slide samples (01 and 02) and the filter samples (04 and 05), following examination:

- The slides (01 and 02) and filter housings (04 and 05) must be returned to our collaboration partner Moredun Scientific by the Sample Return date specified on page 1.
- Samples must be returned in the original container.
- Costs of the return shipment are to be covered by the participant.
- Return address details and a reminder of the Sample Return deadline will be included in the sample package.
- For the slide samples (01 and 02), if your samples are not received by the Sample Return date, we will not be able to provide your laboratory with a return count.
- We would advise you to analyse the samples as soon as possible on receipt and return to Moredun Scientific immediately afterwards.

For sample 03 Suspension, it is not necessary to return samples to Moredun Scientific.

Cryptosporidium Proficiency Testing Scheme Application Form

Please note:

- Please contact LGC Standards for prices.
- VAT is payable (at the prevailing rate) by all participants based in the UK and by those in the rest of the European Union if a VAT Registration Number is not provided.
- Participants will pay an additional fee to cover courier charges. For details please contact LGC Standards Proficiency Testing.
- All courier charges set by LGC Standards Proficiency Testing do not include local import charges, taxes (etc.), which must be paid by the participant.
- Do not send remittance with this form, you will be invoiced subsequently after the despatch of each round.
- No refunds will be given for failure to take part in any round of the proficiency testing scheme.
- LGC Standards Proficiency Testing reserves the right to not send samples or the report for previous samples to any participant that has not paid their subscriptions within the terms stated on the invoice.
- LGC Standards Proficiency Testing cannot guarantee the number of participants that will return results for any particular round.
- The scheme is carried out in collaboration with Moredun Scientific. Customer service, sales and marketing, administration, data processing and reporting is carried out by LGC. Sample preparation, dispatch, quality control and counting of slides is carried out by Moredun Scientific.
- By signing this application form, you are agreeing to comply by LGC Standards' Standard Terms and Conditions for the Supply of Laboratory Quality Products and Services. Furthermore, for test samples containing microorganisms with a bio safety level (BSL) of 1 or 2, you are confirming that you are complying with applicable laws and regulations when using such materials.

Existing customers
