# **Instructions**

Please read these instructions carefully and retain for future reference.

**All our products are thoughtfully designed and expertly manufactured to give stylish looks and long lasting quality.** So that you get the most out of your new light we offer the following guidelines to assist you.

### **Contents**

- 1 x Base
- 1 x Shade

### **Important Information**

- To prevent electrocution switch off at the mains supply before assembling or maintaining.
- Always be sure to use the correct type and wattage of bulbs as indicated on the fitting. Never exceed the wattage stated, this may cause your light fitting to overheat.
- When changing the bulb, always switch off the supply and allow the old bulb to cool down before handling. Dispose of bulbs carefully.
- The external flexible cable or cord of this luminaire cannot be replaced. If the cord is damaged the luminaire shall be destroyed.
- Please be aware that this product is heavy and may cause harm if misused.

### **Before Starting**

Please read through these instructions before assembling product and retain for future reference. Keep all packaging until after successful installation.

### **Assembly Instructions**

#### **Step 1**

Once unpacked, remove all packaging including plastic 't' pieces supplied between columns (keep until successful installation).

#### **Step 2**

Screw lamp stem into base at point A in a clockwise direction and tighten to secure.

#### **Step 3**

Assemble the floor lamp column by screwing together the threaded sections at points B in a clockwise direction. Repeat at point C. While assembling pull excess flex carefully through the base of the floor lamp (use only the minimum force required to draw the cable through).

#### **Step 4**

At point E unscrew shade ring then attach & secure shade with shade ring.

Fit light bulbs (not supplied)

Plug lamp into power socket with power off. Adjust to desired position before switching lamp on.
