## **LOOPAL FLOOR LAMP**

HOME3450

# **Instructions**

Please read these instructions carefully and retain for future reference.

All our products are thoughtfully designed and expertly manufactured to give stylish looks and long lasting quality. So that you get the most out of your new light we offer the following guidelines to assist you.

### Contents

1 x Base  
1 x Shade

### Important Information

- To prevent electrocution switch off at the mains supply before assembling or maintaining.
- Always be sure to use the correct type and wattage of bulbs as indicated on the fitting. Never exceed the wattage stated, this may cause your light fitting to overheat.
- When changing the bulb, always switch off the supply and allow the old bulb to cool down before handling. Dispose of bulbs carefully.
- The external flexible cable or cord of this luminaire cannot be replaced. If the cord is damaged the luminaire shall be destroyed.

### Before Starting

Please read through these instructions before assembling product and retain for future reference. Keep all packaging until after successful installation.

### Assembly Instructions

#### Step 1

Once unpacked, remove all packaging including plastic 't' pieces supplied between columns (keep until successful installation).

#### Step 2

Screw lamp stem into base at point A in a clockwise direction and tighten to secure.

#### Step 3

Assemble the floor lamp column by screwing together the threaded sections at point B in a clockwise direction then repeat at point C. At point D screw the top sphere threaded section to the floor lamp column in a clockwise direction. While assembling pull excess flex carefully through the base of the floor lamp (use only the minimum force required to draw the cable through). Ensure the floor lamp column sections are carefully tightened so the product is secure.

#### Step 4

Refer to figure 2 to assemble the top of the lamp. Carefully screw clockwise a stem piece into a slot within the central metal section. Once secure, place a flower piece with a clear washer underneath at the end of the stem. Carefully tighten nut to secure the flower.

#### Step 5

Repeat step 4 for each flower until all the slots are filled.

#### Step 6

Fit light bulbs (not supplied)

Plug lamp into power socket with power off. Adjust to desired position before switching lamp on.
