5. Materion Ariannol

Incwm

Tâl am osod carreg	62.50
--------------------	-------

Gwariant heb glirio

Cyflog y Clerc	338.69
----------------	--------

Llythyr ynghylch y grant cymunedol. Am edrych ar hyn – cyfnod gwneud cais ddim tan fis Ionawr.

6. Cynllunio

- Dim ceisiadau

7. Llythyrau i'w trafod

- Comisiwn Ffiniau a Democratiaeth Leol: adolygu'r ffiniau. Cyfnod ymgynghori wedi agor. Chwilio am sylwadau. Cyfarfod Fforwm Cyswllt nos Iau – cynrychiolydd o'r comisiwn am fod yno.

8. Cae Chwarae / Playground

Heb lwyddo gyda'r cais Calor.

Grant Shell – dal i ddisgwyl i glywed ynghylch hyn. Ddim yn mynd i gael mwy na £7k. Mwy tebygol o fod yn £5k.

Ond, problemau eto yn y parc – potel wedi ei thorri, gwydr, caeadau poteli. Llanast. Angen cymryd camau i atal hyn. Cysylltu gyda'r gwasanaeth ieuenctid. Cael y PCSO i ddod i siarad. Defnyddio cyfryngau cymdeithasol. Trefnu rhywbeth ar gyfer y dyfodol hefyd; diffyg pethau i bobl ifanc ei wneud. Cymharu efo Llanddona – y bobl ifanc wedi trefnu eu hunain. Gwahodd clybiau sydd wedi eu sefydlu e.e. Scowntiaid i ddod i ddefnyddio'r adeilad fel pop-up.

9. Golau Stryd / Street Lamp

Bocs ar y polyn – nid trydan ond BT, ar gyfer y tai newydd.

Ynys Môn – wedi gofyn eto i Ynys Môn, y pris wedi codi i £2010 + VAT i wneud hyn.

Ddim am gael ei wneud fel rhan o'r datblygiad.

10. Goryrru / Speeding

Wedi cael catalog a phrisiau ar gyfer yr arwyddion. Gwahanol fodelau – pris yr un sylfaenol cychwyn o £1700 a mynd ymlaen trwy wahanol lefelau, gan gynnwys solar £2002. Arwydd yn dweud bod y traffic yng nghanol y ffordd. Opsiwn rhatach. Cysylltu trwy'r Ffermwyr Ifanc i godi y broblem tractorau.

11. Adroddiad o unrhyw gyfarfodydd

Llywodraethwyr – dim byd mawr i'w drafod. Cyllideb. Staffio. Offer chwarae newydd.

Cyfarfod Cylch – neb wedi dod. Os nad oes aelodau pwyllgor yna fydd y Cylch ddim yn medru mynd ymlaen. Yr arweinydd wedi ymddiswyddo hefyd felly hysbysebu'r swydd.

12. Adroddiad gan y Cynghorwyr Sirol

Cyflwyno adroddiad blynyddol ar beth sydd wedi cael ei gyflawni a chynlluniau y flwyddyn nesaf. Sir Fôn yn adeiladu tai cyngor, llawer ddim. Gwneud sawl peth positif. Lleoliadau arbenigol i blant – llawer ddim yn medru cael ar yr Ynys, rhai yn gorfod mynd yn bell iawn, felly ariannu 'Cartrefi Clyd'. Cael aros yn eu cymunedau ac mewn parau. NDA am roi 500k i ddatblygu'r economi yn Amlwch.

CYNGOR CYMUNED LLANDDANIEL FAB

Council Meeting: Monday, 15 July 2019, Yr Efail.

1. Presentation by SP Energy Networks

£13m project to renew the island's electricity infrastructure. A map of the path.
Discussion of the implications.

2. Welcome and Apologies

Present: Martin Kelly-Roberts (Chair), Margaret Clarke, Brian FitzGerald, Huw Derec Williams, Cllr. Dafydd Roberts

Apologies: Andy Wagstaff, Carys Love, Cllr. Eric Jones

3. Matters Arising

Minutes accepted by Huw Williams, seconded by Dafydd Roberts.

4. Declarations of Interest

Margaret Clarke – Item 9, daughter lives opposite the site, and the owner of land opposite.

5. Financial Matters

Income

Payment for erecting headstone	62.50
--------------------------------	-------

Uncleared Expenditure

Clerk's Wages	338.69
---------------	--------

Letter regarding the community grant. Going to look at this – the time for making an application is not until January.

6. Planning

- No applications

7. Letters to Discuss

- Boundaries and Local Democracy Commission: revisiting the boundaries. Consultation period open. Looking for comments. Liaison Forum meeting on Thursday – a representative from the commission present.

8. Cae Chwarae / Playground

Unsuccessful in the Calor competition.

Shell Grant – still waiting to hear. Not going to get more than £7k. More likely to be £5k.

But, problems again in the park – broken bottle, glass, bottle tops. A mess. Need to take steps to stop this. Contact the youth service. Get the PCSO to come to talk to them. Use social media. Organise something for the future too – a shortage of things for young people to do. Compared with Llanddona – the young people there organised themselves. Invite clubs which are already established e.g. Scouts to come to use the building as a pop-up.

9. Golau Stryd / Street Lamp

The box on the pole – not electricity but BT, for the new houses.

Ynys Môn – asked them again, and the price has gone up to £2010 + VAT to do this. It won't be done as part of the new development. Leave the matter for the time being.

10. Goryrru / Speeding

Catalogue with prices for the illuminated signs. Different models – the basic one starts from £1700 and goes through different levels, including solar at £2002. A sign saying that traffic is in the middle of the road as a cheaper option? Contact Young Farmers to raise the problem with tractors.

11. Reports of Any Meetings

Governors – nothing major to discuss. Budget. Staffing. New play equipment.

Cylch Meeting – nobody turned up. Without committee members Cylch can't go ahead. The leader has resigned so the job has been advertised.

12. Report by the County Councillor

Annual report on what has been achieved and next year's plans. Anglesey building council houses, many councils are not. Many positive things. Specialist placements for children – many not able to have these on the island and some have to go very far away, so funding 'Cartrefi Clyd'. They can stay in their communities and be treated in pairs. NDA to give 500k to develop the economy in Amlwch.
