

8 Reasons to work as an OT on the Isle of Man

- #1 Step away from NHS pressures and demands.** Our OT's talk about how they enjoy the slower pace of work and the work-life balance working on the Island can offer.
- #2 Enjoy great job satisfaction.** If you want a job that offers a varied caseload, where you have more time to spend with patients and excellent resources and equipment, we've got what you're looking for.
- #3 You'll receive great support from your colleagues.** When we asked the team what they like most about working here, the support they feel they receive came out as number 1!
- #4 The Island can offer you a fantastic quality of life.** Whether you're looking to enjoy the great outdoors, a more relaxed pace of life, great food and drink, or somewhere safe to bring up a family, the Island can offer all this and more.
- #5 Work somewhere there the value of teamwork is appreciated.** Our OT's say they enjoy the MDT approach we have to work here and being able to link and meet up with other OT's across our Health Service to network and share knowledge.
- #6 Spend more time in the places you want to be.** The average commute is only 20 minutes on the Island so you won't have to spend your free time queuing in motorway traffic!
- #7 The smaller teams** here mean there is greater opportunity for clinical supervision, professional support and personal development. Our OT's have described the teams here as welcoming, friendly and inclusive.
- #8 Keep more of your hard earned salary.** Enjoy higher pay rates and lower taxes and if you're relocating you can take advantage of the National Insurance holiday scheme the Island is offering. Many of our roles also offer relocation support too.
