

## Survey Results: Is there support for a May Hill Village Shop?

- Thanks to everyone who took the time to fill in the questionnaire - the thoughtful and considered responses were hugely appreciated, as were the wide-ranging offers of help and support. Thank you!
- The call to fill in the online survey was offered to households around May Hill via April's 'About May Hill' newsletter and also through the 'May Hill Support Group' on Facebook.
- A hard copy was also offered, but no one took this up.
- There were 36 responses.
- In addition to the survey, we received three emails voicing concerns about using the Methodist Chapel due to the parking difficulties; they also offered some excellent additional ideas, which was much appreciated. These emails were replied to.
- One respondent was fully opposed to the idea due to the potential commercialisation of the village; as this was anonymous, we were unable to reply, but it still forms part of our considerations.
