**Rambles
around the Island**

in association with the **IW Ramblers**

Route: From the village hall (1), go along the narrow green by a stream to a bus stop and turn right into Badgers Lane (2), a tarmac path which becomes an enclosed bridleway between hedges.

Walk up this path crossing the lane which goes to Dunsbury Farm on your left. Cross over and go straight ahead up the track BS49. At the top turn right (3), walking beside a wood on your right, on Byway BS89.

Go through the seven bar metal farm gate onto access land and soon bear right with the hedge and a line of telegraph poles to your right.

This path descends to a wooden gate and a track leading to a road B3399 (4).

Turn right onto the road and follow this for about 100 metres to the entrance to Brook Hill House on your left (5). Follow the tarmac drive and turn left through a wooden barrier.

Just before a Ramblers gate, take

the woodland path on your right (6) which descends steeply through trees. At the bottom there is a stile and views across Hulverstone to the sea.

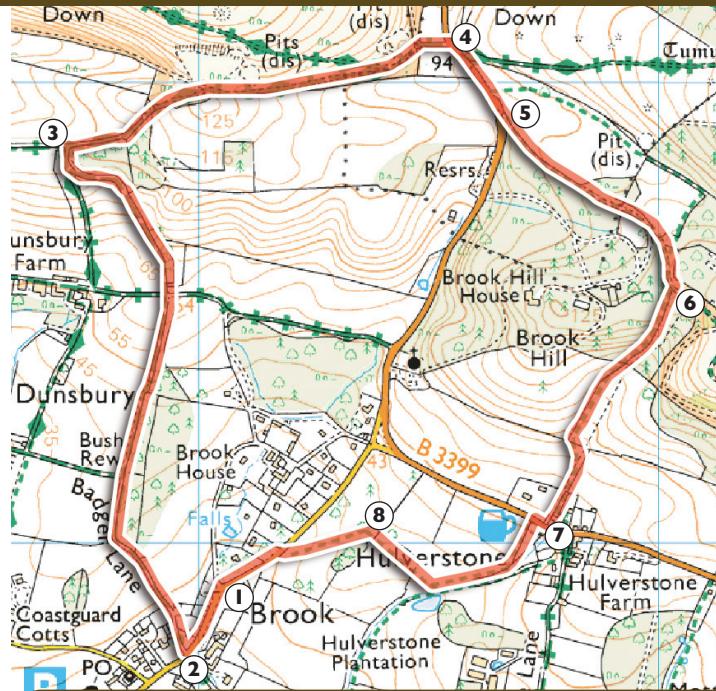

Walk straight ahead across the field to a stile and then at the left side of the second field to another stile which leads into a narrow path. Go through a kissing gate which leads directly onto the road (7).

Turn right and within 25 metres take a sign-posted path on the left, BS46 to Brook. Walk beside the hedge on your left. When you reach the fourth telegraph pole, turn right to a stile across the corner of the field.

Beyond the stile walk ahead, along a line of trees. Walk beside the left fence (8) and then go diagonally left across the field to a stile onto the road.

Turn left on the road to return to the village hall.

Here there will be the option of continuing the walk along the coastal path for a further 1 mile.
