## OWL is the latest way to interact with your local police and Neighbourhood Watch

Working in partnership with Neighbourhood Watch and with an emphasis on positive interaction between yourselves and your local police, **OWL** acts as a serious deterrent to burglars, car thieves and unscrupulous door to door callers.

**OWL** enables you to keep up to date with your local police and Neighbourhood Watch, electronically and on-the-go.

**OWL** encourages neighbours to watch out for one another and work together to report suspicious activity.

Information goes both ways. **OWL** will send out e-mails and alerts when the police need your help, and you will be able to share information directly and discreetly with local officers. Neighbourhood Watch helps build a closer community by supporting the police as they tackle issues that really matter to you.

Regular messages relevant to you, including crime alerts and timely crime prevention advice for your local area are sent out by your local police or Neighbourhood Watch Coordinator.

- Regular local updates from your local police
- Discreetly report suspicious activity in your area
- Advice on improving your home and personal security
- Builds stronger ties with Neighbourhood Watch leading to safer communities
- Encourages neighbours to watch out for one another and work together to report suspicious activity
- Direct access to your local police and your Neighbourhood Watch Coordinator
- A quick, easy, and flexible system that fits in with your lifestyle
- Fosters a tangible community spirit as you get to know your neighbours

## Frequently Asked Questions

WWW.OWL.CO.UK**

### Is OWL free to use?

Yes, there is no cost to register and messages are free to send and receive

### Will my neighbours know I am using OWL?

Messages are confidential, meaning you can use OWL discreetly to communicate with Neighbourhood Watch or the Police. When alerts and information is sent to your area, you cannot see the list of recipients so we can never accidentally disclose your email details to other users.

### Will I receive marketing and advertising messages?

No. OWL is used by Police and Neighbourhood Watch to send alerts and advice on crime and other local issues relevant to you. We never provide your details to third parties for marketing.

### Do I have to be a member of Neighbourhood Watch to use OWL?

We recommend joining your local Neighbourhood Watch as you will receive additional local information to help keep you safe, but if you do not wish to join, you can register for Community Messaging instead. This means you will only receive alerts and information from the Police.

### How safe is my personal data?

The OWL system has been designed with security in mind. Only those who need it can see your data. We never sell your data or pass it to third parties. If you unsubscribe, we delete all of your data.

### What is Secured By Design?

Secured By Design is the official UK Police initiative combining 'designing out crime' with physical security

### How do I unsubscribe?

If you decide to leave OWL, simply email your details to the Watch Liaison Officer and we will delete your data from OWL.
