### START OUT THE SPORT SAFELY!

In both Pyhä and Luosto all children under six years wearing a helmet will be able to ski free of charge when accompanied by a parent or guardian.

### Ski slope rules

- Make sure your equipment is adjusted to your size, weight and ability. Use of a helmet is recommended.
- Respect the lift line and prepare to share the lift with fellow skiers. Get off the lift only at designated areas.
- Select the slope and adapt your speed according to your skills and the environment. Always familiarize yourself with special areas in advance.
- Keep your distance when you pass the skiers below and ahead of you. Pay additional attention to small children.
- Stop only at places where you can be easily seen. If you need to go uphill, always do it along the edge of the slope.
- Do not ski too fast. Pay attention to local signs and snow conditions.
- Sliding is only allowed in specially designated areas.
- Two attempts fail at your own risk.
- Using the slopes under the influence of alcohol / drugs is prohibited.
- In the event of accidents, your duty is to assist. Report any accidents immediately to ski area staff.

Always request the signs at the ski centre and follow the instructions of the staff. The staff is authorised to take away the skiers from anyone who ignores the slope rules.
