Arrival:

On arriving at the main entrance of the theatre to see the performance customers with access requirements should make themselves known to a member of staff. Customers will then be greeted by a dedicated access host who will assist with all aspects of the customer's journey through the theatre. Entry for customers who require level access is via two lifts to the Upper Foyer level, where the theatre bars and kiosks are located and then also to the auditorium seating.

Access to Seating and Viewing Areas:

The Stalls auditorium is accessed via the lifts and there are two dedicated wheelchair park spaces in Row S. Row S in the Stalls can also be used for customers wishing to transfer from a wheelchair into a theatre seat. Other aisle seats on the Stalls Auditorium Right involve access via a limited number of steps.

The Dress Circle level of the auditorium can only be accessed via routes including stairs:

Dress Circle – 114 steps from Ground Floor (24 steps using the lifts)

Accessible Toilets:

The Gillian Lynne Theatre has two accessible toilets. One is located in the Upper Foyer and the other is just outside the accessible entrance to the auditorium on Level 4. Access is via the lifts.
