

Prayer for the welfare of our Prime Minister

Nissan 5780

He that giveth salvation unto Kings,
and dominion unto Lords,
He that delivered his servant David
from the sword of the Enemy,
He that made a way in the Sea,
and a path in the strong waters,
bless and keep,
preserve and rescue,
exalt and magnify,
and lift up higher and higher,
the Prime Minister,
the right honourable, his excellency

Mr Boris Johnson

King of kings defend him in his mercy,
grant him life, and save him from all
dangers and distress.

King of kings, for his goodness sake,
raise up and exalt his planetary star,
and multiply his days over his office,
so that he may safeguard his country
and those who dwell in it, with
complete healing, good health and
total peace.

King of kings for his mercies sake, put
into his heart, and into the heart of his
Counsellors, and those that attend and
administer to him,

that he may shew mercy unto us,
and unto all the people of Israel.

In his days and in our days,
let Yehudah be safe,
and Israel dwell securely,
and let the Redeemer come,
and so may it please God. Amen.
