

Limes Place

Colne

A tenancy support service in the Standish area of Colne, supporting people with mental health conditions, learning disabilities or physical disabilities.

Making Space and specialist accommodation developer, Homelife, are delighted to see people we support enjoying their new home in Colne. Limes Place will provide accommodation for people who need support in the local area enabling them to live as independently as possible with help from an on-site care team.

What we offer

Limes Place provides specially designed accommodation for adults who need support with mental health conditions, a learning disability or physical disability to enable them to live as independently as possible with help from an on-site care team. This brand new £1.6million development provides 11 individuals with the foundation they need to lead independent and fulfilling lives, as well as communal areas and landscaped gardens that

have been designed to support adults with a range of support needs.

Referrals

Referrals can be made through a social worker or care co-ordinator. Individual care packages come with a minimum of 3.5 hours 1:1 support per day, as well as 24 hour background support. Further information can be sought via an informal chat with the manager.
