

Gaynor's One Page Profile

What people like and admire about me

- I am open, honest and trustworthy
- I am always calm and can 'see the wood for the trees' in situations that can be overwhelming!

What is important to me

- Keeping in touch with the people we support, employees. I particularly like to do this by visiting services and hearing from the people we support
- Knowing what's going on in services, so keep me in the loop, please...
- Being happy in my work, so being able to smile at work, having a joke and sharing anecdotes is essential
- Making Space – I have been with Making Space for a long time and I believe the people we support, the quality of the support and the services we deliver is exemplary and we cannot compromise on that, nor would I want to
- I love to travel and I love spending time with my family and friends and my new puppy Chase

How best to support me at work

- Be direct - I need to know what you mean, so be clear and to the point, I can and may misconstrue if the message is too ambiguous
- Give me deadlines – and sometimes a little nudge – I do diary my tasks and times but sometimes things re-prioritise themselves and I may drop a ball
- Keep me informed on any problems you are having and I will try to help
- Provide a solution, I don't have all the answers and I am more than happy to brainstorm a problem and come to a resolution between us
