

INT. VANESSA WORK PLACE - LADIES BATHROOM

Jasmine is standing outside a cubicle.

Vanessa exits the cubicle and ignores Jasmines presents.

JASMINE

You know, you got the bladder of a hamster. Why do you have to piss all the time?

VANESSA

How much I piss and I do it is between me and the toilet.

JASMINE

Are you pregnant?

VANESSA

What kind of question is that?

JASMINE

Isn't that a pregnancy test in your hand?

VANESSA

Yeah but these things don't even mean anything. So.

JASMINE

They are like 99.99% accurate. It means a lot. What does it say?

Ignoring Jasmine, Vanessa heads toward the sink.

VANESSA

Can I wash my hands now?

JASMINE

What does it say Vanessa?

VANESSA

It doesn't matter what it says because until I see a doctor
(takes out a bag of pregnancy test from her purse)
Every single one of theses are inconclusive...So.

JASMINE

Damn, Vanessa how many of these did you take?

(MORE)

JASMINE (CONT'D)
You've got a dozen piss test.
Are they positive?

VANESSA
I...urm...

JASMINE
(working it out)
They are positive.

VANESSA
I need to wash my hands.

JASMINE
And does he know?
Jason?

VANESSA
...

JASMINE
I see...Well congrats.
When you're done playing the
guessing game. Meet me in my office
regarding your lateness.

Jasmine exits.
