

MasterSeries 2020 – 14-Day Trial Version Installation Guide

1. Install MasterSeries

1. Download the **MasterSeries_2020_x64_Trial.exe** from [here](#)
2. Locate **MasterSeries_2020_x64_Trial.exe**
In most cases, the EXE file is located in the Downloads folder. Open File Explorer and browse to:
`C:\Users\YOUR USERNAME\Downloads\`
Note: if there is an available update (MasterSeries Update 2020 MM DD) on the website, then once the full MasterSeries installation package is installed, download and run it to update the MasterSeries to the latest version.
3. Double-click the **MasterSeries_2020_x64_Trial.exe** file to begin installing MasterSeries

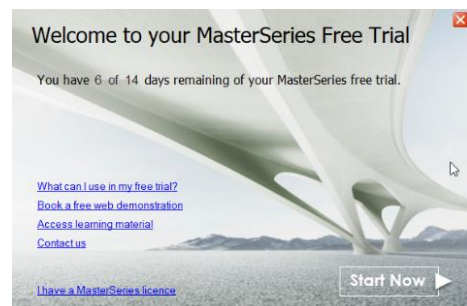

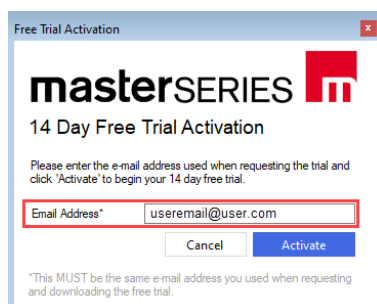

4. Continue through the install wizard to install MasterSeries

2. Activate Your Trial

Once installed, you need to activate your 14-day trial.

1. Start the **MasterSeries**
2. When the *Welcome* screen appears, please click on the **Start Now** button
3. Input the email address you enquired with and click **Activate**

Getting Help

If you experience any issues during the download and installation procedure, our support team is on hand to help you. However, before you do so, check out our [Troubleshooting](#) guide to see if your question has already answered before.
