

Product Information

Kresto[®] Special ULTRA

Specialist hand cleanser for removing extremely stubborn soils caused by oil, paints, lacquers, resins, and adhesives.

Description

Specialist hand cleanser for removing extremely stubborn soils caused by oil, paints, lacquers, resins, and adhesives. Kresto[®] Special ULTRA is a slightly acidic hand cleanser which has very strong cleaning power for removing some of the toughest soils. Given the type of contaminants Kresto[®] Special ULTRA is designed to remove, the product has good skin compatibility.

Area of Application

Ideal for use in industries such as heavy assembly, metal working and silk screen printing. Product cleans substances including, oil-based paints, lacquers, enamels, adhesives, sealers, primers, coatings, glues and resins from the skin.

Product Description

White paste containing a non-aggressive scrubber and a mixture of esters; pH-value: approx. 6.5.

Instructions for Use

- Do not wet soiled hands.
- Rub in small amount of product thoroughly.
- Add a little water and continue washing.
- Rinse with plenty of water and dry thoroughly.

As the formulation is concentrated, only a small amount is required to remove contaminants.

Make sure the room is well ventilated if larger product quantities are used. Do not let product get onto plastics. Product is not meant to be used for cleaning surfaces or for technical purposes.

Features	Benefits
Contains all natural, biodegradable walnut shell scrubbers (Astopon [®])	Gives a deep clean without damaging the skin or harming the environment. Scrubber is easily rinsed away, preventing blocked drains and pipes
With special, ester-based solvent	Outstanding cleansing action and at the same time good skin compatibility Not classified as a combustible product as is the case with conventional solvent-based hand cleansers Low-odor formulation with a high level of consumer acceptance
No water added	Highly concentrated formula features effective and economical cleansing with just small quantities of the cleanser needed
Preservative-free	Can be used even where there are individual sensitivities to preservatives
Soap-free	Helps to maintain the natural acidic protective mantle, whose function includes protecting the skin from bacterial and fungal infection
