

RF521TLPX6

Fridge Freezer 790mm, 487L

This stainless steel Fisher & Paykel Fridge Freezer is left hinge with large fridge storage designed for what you use most often.

EZKleen Stainless Steel

Dimensions

Depth	695mm
Height	1720mm
Width	790mm

Features & Benefits

Easy cleaning

No more permanent dirty marks with our EZKleen feature for stainless steel fridges. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

Design quality

Our fridges are designed and built using quality materials. We use real stainless steel on our fridges and solid glass for shelving as well as in our wine cabinet doors.

Simple storage

This fridge is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our flexible shelving also gives you more storage options.

Clever energy

Your fridge adapts to daily use by cooling and defrosting only when needed. This means your fridge uses the energy it needs without compromising on food care.

Easy Cleaning

Removable, spill-safe glass shelves are easy to clean and contain drips and spills. Storage bins and white steel doors just need a wipe to keep spotless.

Specifications

Capacity

Freezer	97 L
Refrigerator	390 L
Total	487 L

Consumption
