

Technical Data

Electricity supply

230 - 240V ~ 50Hz

Classification

class I

Noise level (External Venting)

Position 3 54 dBA

Position 2 47 dBA

Position 1 40 dBA

Light bulbs

2 x 1.5W LED

Please make sure you follow the instructions for replacing light bulbs carefully and always make sure you use the correct bulb type.

Motor rating

100W

Carbon filters

x 2 - available as Spares

Grease filters

x 3 aluminium panel

Note:

After cleaning, grease filters may lose their colour slightly - this does not affect their performance.

Extraction Rate (External)

Position 3 527m³/H

Position 2 440m³/H

Position 1 370m³/H
