

Haier

Main characteristics

Class A +

Подробнее http://www.haier.com/ru/consumer/household_appliances/freezers/one-door-freezers/bd-319raa.shtml

Detailed specification

General specifications

Energy efficiency class	A +
Power consumption (kWh / d)	274
Cooling Technology freezer compartment	Direct cooling
Management System	Manual
Color	White
Total volume (l)	319
Width x Height x Depth without packing (cm)	110h84,5h74,5
Width x Height x Depth in the package (see)	116,5h89,5h77,5
Net / Gross Weight (kg)	51/58
Pens	Yes
Climate class	SN-T
Type	Freezers

Other functionality

Number of compressors	1
Freezing capacity (kg / 24 hr)	21 kg / 24 h
Function superfreezing	Yes
Noise level dB (A)	45

The functionality of the refrigerator

Functionality freezer

Number of drawers	2
Colour Drawer	W = White
Freezer compartment / Number of Stars	****

general information

Warranty (years)	1
Country of origin	China
