

## BP730402KM BI Oven

### Meet the highest standards in kitchen cleanliness

Meet the highest cleanliness standards using Pyroluxe@Plus. This system reduces all food residue to ash, which can be wiped away in one go.

### Perfect results through precise technology

The MaxiKlasse™ oven with extra-large cavity comes with a Core Temperature Sensor, so you can monitor the cooking process from the center of your dish.

### Higher performance and more energy efficient

The clever ThermiC°Air convection system ensures hot air circulates evenly throughout the oven cavity, for a cooking process that is faster, and more energy efficient.

### More Benefits :

- Large LCD touch-control display with all the information you need
- SoftMotion™ for a smooth, silent action when closing the soft closing door
