| • Multi-Purpose Cleaning Pad | • NiMH battery, 2000 mAh |
| • Microfibre Sweeping Cloth | • Adaptor |
| • Microfibre Mopping Cloth | • Turbo Charge Cradle |

iRobot® Braava™ Floor Mopping Robot helps you maintain clean floors, dry-or damp-mopping any hard-floor surface with disposable or microfibre cleaning cloths.

Designed to mop floors quickly and efficiently, the new iRobot Braava Floor Mopping Robot systematically covers your entire floor in a single pass. It's so easy to use...just attach a cloth, set Braava down, press a button and off it goes, using advanced robotic technology to track where it's been and where it needs to go.

EASY TO USE

EASY-TO-PREP CLOTHS

Cleaning cloths are easy to attach and remove with the removable magnetic multi-purpose cleaning pad.

JUST PRESS AND GO

Attach a cleaning cloth, set Braava down and select a cleaning mode.

WHISPER-QUIET

Quiet enough to operate without disrupting your daily activity or sleep.

RETURNS TO WHERE IT STARTED

When done cleaning, Braava returns to where it started and powers down automatically.

TURBO CHARGE CRADLE

Provides sleek, compact storage and charges Braava in just 2 hours, 50% faster than 380 and 5 times faster than 320.

CLEANS HARD FLOORS QUICKLY, SYSTEMATICALLY COVERING THE ENTIRE FLOOR IN A SINGLE PASS

DAMP AND DRY CLEANING CLOTHS

Uses specially designed microfibre cleaning cloths or disposable cleaning cloths such as Swiffer®.

CLEANS ALL HARD FLOOR TYPES

Works on all hard-surface floors including tile, vinyl, hardwood and laminate.*

TWO CLEANING MODES

Sweep mode: Dry mops for up to 4 hours using dry cloths to pick up dust, dirt and hair.

Mop mode: Damp mops for up to 2.5 hours using special mopping action and damp cloths to lift up surface dirt and grime.

PRO-CLEAN SYSTEM

Reservoir Cleaning Pad dispenses liquid during cleaning cycle, continually refreshing the microfibre cloth with fresh fluid.

PAUSE/RESUME

Retains a map of its cleaning space so you can replace the cloth mid-cycle without missing a spot.

STRUCTURAL DESIGN FOR PRACTICAL CLEANING

Braava's shape and navigation system enable the robot to cover the entire floor.

ADVANCED ROBOTIC TECHNOLOGY AUTOMATICALLY CLEANS YOUR FLOORS

TRACKS WHERE IT CLEANS

The NorthStar® Navigation System works like an indoor GPS keeping track of where Braava has been and where it needs to go.

CLEANS UNDER FURNITURE

Cleans under furniture and other tight areas.

FOLLOWS THE WALL

Cleans dust and dirt along walls, skirting boards and edges.

AVOIDS STAIRS AND RUGS

Avoids stairs, area rugs and raised transitions to carpets.

*Notice: do not use the mop mode in combination with unsealed wooden floors.

BRAAVA 380T FEATURES

Keeps track of where it has been and where it needs to go

Works on hard-surface floors, including tile, vinyl, hardwood and laminate*

Just press and go

Whisper-quiet
