### Product Description :

The ProTex Plus washer with Woolmark Blue (formerly known as Woolmark Gold) certification guarantees the utmost care for even the most delicate fabrics. The XXL Soft Drum provides gentle washing for extra large loads up to 10kg, whilst DirectSpray delivers the most efficient washing and rinsing by ensuring the water and detergent are distributed evenly. The intelligent OptiSense system tailors the cycle time to your load size, preventing your clothes from being overwashed. There is even a weight sensor indicating how much detergent to use for best results. All of which means you have the ultimate solution for keeping your clothes looking new for longer.
