

**Product fiche concerning the COMMISSION DELEGATED REGULATION (EU) No 1060/2010 of 28 September 2010**

---

|                                                                                                                                                                                |                             |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------|
| Supplier name or brand                                                                                                                                                         | SMEG                        |
| Product code                                                                                                                                                                   | S7192CS2P1                  |
| Category of the refrigerating appliance model                                                                                                                                  | Refrigerator - freezer      |
| Energy efficiency class                                                                                                                                                        | A++                         |
| Energy consumption "XYZ" kWh per year, based on standard test results for 24 hours. Actual energy consumption will depend on how the appliance is used and where it is located | 174 kWh/year                |
| Fresh Food compartment - Storage Volume                                                                                                                                        | 173 litres                  |
| Storage volume frozen food compartment                                                                                                                                         | 14 litres                   |
| Star rating of frozen food compartment                                                                                                                                         | 4                           |
| Power cut safe "X" h                                                                                                                                                           | 12 h                        |
| Freezing capacity                                                                                                                                                              | 2 Kg/24h                    |
| Climate class: W [climate class]. This appliance is intended to be used at an ambient temperature between "X" [lowest temperature] °C and "X" [highest temperature] °C         | W=SN-N-ST-T, X=10°C, Y=43°C |
| Airborne acoustical noise emissions                                                                                                                                            | 35 dB(A)                    |
| Installation                                                                                                                                                                   | Built-in                    |
