

QUALITY/FOOD SAFETY POLICY

It is the policy of Walker's Shortbread Ltd to consistently provide safe, wholesome, quality products with the least possible risk of contamination and with the least likelihood of causing harm to our customers/consumers. This is in compliance with the current requirements of ISO9001, FSSC22000/ISO22000, current legislation and relevant customer requirements.

The Company is committed:

1. To implementing and maintaining to the highest standard a Quality and Food Safety System to produce and supply safe and wholesome products to the highest quality in all production and storage facilities.
2. To ensuring the authenticity of all ingredients
3. To continual improvement by meeting objectives and reviewing targets.
4. To maintain effective partnerships with suppliers, services and customers.
5. To ensure appropriate training and competencies of all staff.
6. To ensure that all staff are aware and have an understanding of the Quality/Food Safety Policy.
7. To protecting the environment.
8. To embracing the Ethical Trading Initiative Base Code of Practice.
9. To ensure that all staff are aware of their individual responsibilities and of the Company's commitment to quality and food safety in the knowledge that the safety of our products and our reputation depends on our every day actions.
