BUYERS GUIDE

The team at Kehoe & Assoc. are committed to providing you with the highest level of service. We are here to help, and our aim is to make the buying process as straightforward as possible, offering advice and guidance at every step of the way.

To provide you with the best we share in a transparent manner the process of buying a home off plans. This process can typically last 7 months. For built properties it can be shortened to 3 months.

So, what happens and when:

MONTH 1

Get Pre-Approved

If you need a mortgage to buy a property, you will need to demonstrate mortgage approval from your bank, broker or accountant within the past six months.

MONTH 2

Register for Help to Buy

If you are buying a newly built house and you are a first time buyer, you may be entitled to avail of the Help-to-Buy scheme, a tax refund initiative worth up to €30,000 to home buyers in Ireland.

MONTH 3

Find Your Home

The Dairyfields launch new homes throughout the year. Our website contains up to date lists of on sale and upcoming developments.

MONTH 4

Appoint a conveyance solicitor

Once you found a new home, you will need to appoint a Solicitor to manage your conveyancing.

Pay refundable deposit

Once you have found the house you wish to purchase, you will pay a booking deposit €5,000 to Kehoe & Assoc. via electronic transfer. This deposit is fully refundable until signing of contracts.

MONTH 5

Secure your mortgage

At this stage, you should notify your lending institution and Solicitor of your purchase.

Sign contract

You should make an appointment with your solicitor to sign your contracts. Here you will be required to pay the balance of your deposit. The balance outstanding is payable when the sale closes.

MONTH 6

Snag your home

You will be invited to snag your property, in the presence of an engineer or surveyor, and complete a snag list. Our construction team will complete the snag list and you will be invited to complete a final inspection of your new home.

MONTH 7

Close the deal and final inspection

At this stage please engage with your own solicitor to ensure your mortgage paperwork is completed in order for your solicitor to request your loan check.

Collect your keys

You will be contacted by the closing team who will arrange for the handover of keys & welcome pack and access to your new home. Congratulations!
